FIRE
You can hit an enemy counter in the front or in the flank.
Flank attacks give you +1 to your attack roll.
LINE OF SIGHT
MANUAL
For firing purposes, you need a clear line of sight.
The line of sight needs to be clear of terrain obstacles and units.
EXCEPTION: Units firing from a hill may fire over units on ground level.

BOMB
An Airstrike costs 2 APs; 3 hits are possible!
If an Airstrike is possible, the Plane-Button lights up.
All possible targets are indicated with a Bomb marker.
Double-click on your chosen target (or single-click and hit the "Bomb" button) to start the Airstrike! After the first bomb lands, two random, adjacent hexes will be chosen for the remaining two bomb hits. Snowfall: No Airstrike!
Attention: The bomb could hit your own troops!
